A Word from Pastor Julie:  
Growing in Love and Service Together

November 2026 <sup>2</sup>

*"It was the best of times. It was the worst of times."* Charles Dickens, "A Tale of Two Cities"

Dear brothers and sisters in Christ of Peace and Grue Parish,

Blessings to you as we enter into the season of Thanksgiving, a time to give thanks, and the beginning of "Hallmark Holiday Movie Season". You know the ones, where the leading couple gets together, frequently upsetting or annoying one another in their meet-cute moment, work through some near-disasters until they resolve their differences and kiss for the first time exactly two minutes before the closing credits. I think part of the appeal to these stories is that the characters' path of true love does not run smoothly, they experience bad times as well as good, just like in real life. Similar to the writings of the above mentioned Dickens, as well as Jane Austen and others. The protagonists in their novels do indeed experience the best of times and the worst of times. Just like real life and in these literary masterpieces, we see the resiliency that develops due to experiencing the not-so-good times.

This Hallmark Movie lesson is something that I think we could apply to our perspective on church. When thinking of our congregations, at times there's a tendency to gloss over the bad times and focus only on the good times. It's fine to reminisce about the past, but you can also get stuck on it. The other end of the spectrum isn't particularly healthy either, the idea that you knock your church down to its spiritual studs to begin something new thinking that is the solution to lagging attendance or whatever the objective is. There are countless stories of congregations falling into "if/then" thinking like "If we start a contemporary service people will come." Much more often than not, if it works, it's typically short-term, or results in church straying from what it's supposed to be about, communal ministry, into another form of entertainment. The reality is that church is about honest, authentic relationship and ministry, not programs.

In a reality of declining attendance and participation, it's discouraging, but remember that God is a long term planner and often asks us to be patient and resilient. Historically there have always been ups and downs in the church, but guided by the Spirit, we're equipped for resiliency to get us through. I'm reminded of an Emory University study in which professor Marshall Duke, identified the importance family stories play in resiliency. He identified three types of common family narratives: Ascending, in which "everything ALWAYS gets better"; Descending in which "everything ALWAYS gets worse"; and the third, and healthiest, Oscillating narratives offer this perspective, "we've had our ups and downs, but we've always pulled together and gotten through things". An Oscillating narrative candidly acknowledges successes and strength, obstacles and hardships with the affirming theme that despite these fluctuations, we got through it and learned some things along the way. Think about that when you share and reflect on the story of Peace & Grue.

As we navigate challenging times, inside and out of the church, my prayer for this Thanksgiving is that as we practice an oscillating narrative within our community of Peace and Grue in good times and bad, historical and present day. May our shared, authentic experience reinforce our resiliency as individuals, as families, as congregations, as a parish, and as members of the universal Kingdom of God, giving thanks for the grace found at the foot of the cross that offers us resilient hope eternally.

God's peace to you and all you hold dear, Pastor Julie

"Take a good look at God's work. Who could simplify and reduce Creation's curves and angles to a plain straight line? On a good day, enjoy yourself; On a bad day, examine your conscience. God arranges both kinds of days so that we won't take anything for granted." *Ecclesiastes 7:13-14 (The Message)*

October 20, 2026

The Grue Bible Study met Oct 20th at Grue church at 1:30.

Our lesson was lesson 9. Waiting with Hope, (Matthew 25:1-13, 31-46).

Purpose: to show how the Christian hope inspires a willingness to plan for a long-term future and to live constructively until the Lord comes.

Ask God to fill your heart with love for the least, the last and the lost.

Our next lesson is Lesson 10. Speeding the End, (2 Peter 3) at Grue church on Nov. 17th at 1:30.

It was a beautiful day, warm sunshine and a little bit of fall shining thru as you looked over the countryside.

Starting Nov. 1st our Welca group will be offering an opportunity to give a free will offering to purchase an angel off our Living Tree. The proceeds will go the Cancer Treatment Center in Fergus Falls for the patients & the workers who are helping with the treatments to show & appreciate what they do for others.

Enjoy each and every day that is given us.

We enjoyed our coffee and treats as we were reminded of the upcoming sale in December at Dalton, get busy.

The door is always open. He never forgets anyone.

Blessings

Bea Runningen, Sec.

## PEACE WELCA MESSAGE.....November

10/15/26

A little known fact about this newsletter is it's my last AND created on 10/15. I am definitely not ready to say goodbye to month of October! So far, the month has been quite wonderful in my opinion. We have had very nice weather especially the day we drove to Bemidji to deliver a truck full of winter clothing and footwear to Peoples Church. Pastor Birgitte Simpson serves as the Executive Director and Mission Developer. She was very inspiring as she talked about recent upgrades including installation of 24 overnight shelter beds. Another highlight was unloading the truck with a young man who was very eager to help and overjoyed at seeing a winter coat he immediately put on and wore the entire time we were there. His appreciation confirms the generosity and work we do and his smile will stick with me!

Thank you Leslie Anderson and family for taking lead in providing ushers, communion helpers, readers and coffee along with treats especially those amazing carrot bars during the month. Kip & Tonya Nelson will be responsible for November. If you are available to assist on any November Sunday, please surprise them and let them know.

Don't miss **All Saints Sunday, November 1<sup>st</sup>** where we will remember those who have died in past year and those new saints received in baptism. service starts at 9am with communion.

November also brings us one of my favorite days and holidays. The Grue Harvest dinner is held on the 21<sup>st</sup> from 11 am to 1:30 and always delicious. This is a wonderful tradition and much appreciated by many. Thanksgiving is a treasured holiday. Not only good food but built on three universal human experiences: the autumn harvest, communal gratitude and the seasonal homecoming.

If you are interested in a visit by Pastor Julie, please call the office.

I pray you all will support Carol and Jody as they take on responsibility of leading WELCA. They have already spent much time thinking and planning starting with Christmas Mart of December 5<sup>th</sup>. I hope to see all of you there. Again, it has been my pleasure and honor to serve.

Sister in Christ and WELCA Co President, Janet Novak

P.S.

## Alaska Mission Trip Update

Members of the Alaska Mission Trip Planning Team met on October 14 to begin the journey north to Alaska! As we make our way further down the trail we will be sharing more information as the trip takes shape. At this time, around 15 people have expressed interest and plan on taking part. We realize that it's difficult to plan with limited information, so stay tuned for future updates, but we can share a few things. We have decided that those who would like to participate commit no later than March 31, 2027. We have also implemented a minimum age requirement of 12 for youth who will **not** be accompanied by an adult. Several people have asked whether members of other congregations can take part. At this time, we feel we need to see what the response is from Peace and Grue members. After the March 31 cutoff, we will determine where we are at with numbers and if there is space available to invite others.

We have determined the time frame for the trip, which will be two weeks in early August of 2028. Pastor Julie has been in contact with numerous ELCA congregations in the Alaska Synod, and these churches have been very welcoming and enthusiastic to help us out. A general overview of what we have in mind:

- Approximately one week in the Anchorage/Wasilla area where we will be working with the congregations in Wasilla, Chugiak, Downtown Anchorage on service projects in partnership with these congregations. We will also be attending some of their worship services and building new relationships there as well. Pastor Julie is planning an evening outdoor worship service one of the nights. Our friends at Good Shepherd Lutheran Church in Wasilla have graciously offered us a place to stay for our time there. During our time there, we will plan an adventure day and visit Denali National Park.
- We will then spend the rest of the time in the Kenai Peninsula, visiting and partnering with ELCA Congregations in Seward and Soldotna. We will likely stay in the Soldotna area. We will also offer a variety of options for a free day the second week: fishing, Kenai Fjords tour, side-trip to Homer and other things. We recognize that we're a diverse group with diverse interests, so we will spend a day where team members can decide where to "find their fun" on the Peninsula before we return home.

Of course, to make this trip possible we need your support. First and foremost, please add us to your prayer lists. We will be having a number of fundraisers, so stay tuned for those, and thank you in advance for your supporting those. Speaking for myself and all of us on the team and those who have expressed interest in going, thank you all. We are very excited to embark on this journey together as God's people representing Peace and Grue.

Pastor Julie
